

**GUIDE LINES TO FOLLOW**

**PRICING**

▶ **Step 1.**

When giving us your design please make sure they are in the sizes we offer to the right. → Once you have chosen a size please make sure your design has a 1/2" in bleed all around the design.

**Example:** If you have chosen the 32" x 24" in for sale sign your final size should be **32½" in x 24½" in**

▶ **Step 2.**

All information (name, number, web, etc...) on your custom design must be 2" in away from the edge of your design. This will avoid any information being removed from the sign once it is applied to the material

**Example:** If you have chosen the 32" x 24" in for sale sign your final size should be 32½" in x 24½" in & your information must stay within the size of **22" in x 30" in**

▶ **Step 3.**

Once all the requirements are made as described in the below instructions you are now able to email us your design. All designs must be sent in the following format; **Adobe Illustrator, PDF** or **EPS**.

Please see second page for visual reference.

All designs must be email to [sales@quicksignsinc.net](mailto:sales@quicksignsinc.net)  
If there are any questions that need to be answered feel free to call us at **888.744.6750**

For custom size signs please give us a call to receive a free quote over the phone or through email.
